## § 1.516

### § 1.514b Disclosures to procurement organizations.

A VHA health care facility may disclose the name and home address of an “individual” as defined in § 1.460 to an authorized representative of a “procurement organization” as also defined in § 1.460 for the purpose of facilitating a determination by the procurement organization of whether the individual is a suitable potential organ, eye, or tissue donor if:

(a) The individual is currently an inpatient in a VHA health care facility;

(b) The individual is, in the clinical judgment of the individual’s primary health care provider, near death or is deceased as defined in § 1.460;

(c) The VHA health care facility has a signed agreement with the procurement organization in accordance with the applicable requirements of the United States Department of Health and Human Services (HHS); and

(d) The VHA health care facility has confirmed with HHS that it has certified or recertified the organ procurement organization as provided in the applicable HHS regulations. VA medical centers must verify annually in January of each calendar year with FDA that an eye bank or tissue bank has complied with the FDA registration requirements of 21 CFR part 1271 and that the registration status is active before permitting an eye bank or tissue bank to receive protected health information.

### § 1.515 Disclosure of information to participate in state prescription drug monitoring programs.

(a) *General.* Information covered by §§ 1.500 through 1.527 of this part may be disclosed to State Prescription Drug Monitoring Programs pursuant to the limitations set forth in paragraph (c) of this section.

(b) *Definitions.* For the purposes of this section:

*Controlled substance* means any substance identified in 21 CFR part 1308 as a schedule II, III, IV, or V controlled substance.

*State Prescription Drug Monitoring Program (PDMP)* means a State controlled substance monitoring program, including a program approved by the Secretary of Health and Human Services under section 399O of the Public Health Service Act (42 U.S.C. 280g-3).

(c) *Participation in PDMPs.* VA may disclose to PDMPs any of the following information concerning the prescription of controlled substances:

(1) Demographic information of veterans and dependents of veterans who are prescribed a controlled substance. Examples include name, address, and telephone number.

(2) Information about the prescribed controlled substances. Examples include the identification of the substance by a national drug code number, quantity dispensed, number of refills ordered, whether the substances were dispensed as a refill of a prescription or as a first-time request, and date of origin of the prescription.

(3) Prescriber information. Examples include the prescriber’s United States Drug Enforcement Administration-issued identification number authorizing the individual to prescribe controlled substances and United States Department of Health and Human Services-issued National Provider Identifier number.
